

Additional Instructions and Requirements

1. Hours for disposal of trucked-in waste at Central San facilities are as follows:

WASTE TYPE	WEEKDAY DISPOSAL HOURS	
	<2,000-gallon capacity	>2,000-gallon capacity
Residential Septage	7:30 a.m. - 4:30 p.m.	7:30 a.m. 3:00 p.m.
Portable Toilet		
Grease Interceptor / Grease Trap		
Non-Domestic (Special Discharge Permit Required)	7:30 a.m. - 3:00 p.m.	

For disposal of residential septage, portable toilet waste, or grease interceptor/grease trap waste on weekends, weekdays after hours, or Central San holidays, arrangements must be made with the Shift Supervisor in advance by calling (925) 229-7214. Central San reserves the right to refuse entry to the Treatment Plant outside the disposal hours listed above. Non-domestic waste loads will not be accepted on weekends, weekdays after hours, or Central San holidays.

District holidays are:

- | | | |
|-------------------------------------|--------------------------|------------------|
| • New Years Day | • Independence Day | • Christmas Eve |
| • Martin Luther King Jr.'s Birthday | • Labor Day | • Christmas Day |
| • Lincoln's Birthday | • Veteran's Day | • New Year's Eve |
| • Washington's Birthday | • Thanksgiving Day | |
| • Memorial Day | • Day after Thanksgiving | |

2. The company name and address, Contra Costa County Environmental Health Sewage Pumping/Hauling Permit to Operate decal and/or California Department of Food and Agriculture Registered Transporter of Inedible Kitchen Grease decal, and full tank capacity must be clearly marked on each truck.
3. An ACCURATELY COMPLETED Trucked Waste Manifest/Receipt Form must be presented to the Gate Guard at the time of entry to Central San facilities.
4. No waste load from a source outside of Contra Costa County will be accepted at Central San facilities. Food service grease interceptor/grease trap waste will be accepted only from sources within the Central San's service area.
5. The Permittee shall provide a representative sample of each waste load to the Central San Primary Operator. Trucks with a capacity greater than or equal to 2,000 gallons or any truck, regardless of capacity, hauling non-domestic waste must wait for the waste sample to be analyzed by the Central San laboratory prior to being granted approval to discharge. Additional, random sampling of any trucked waste load may be performed by Central San staff for monitoring purposes.
6. If a waste load is rejected by Central San, The Permittee must provide documentation of that load's ultimate disposal location before Central San will give the Permittee approval to discharge any other waste load to Central San facilities.
8. The Permittee shall ensure discharges to the sanitary sewer are in compliance with Central San's Local Discharge Limits and General Discharge Prohibitions (see attached). Vehicles which have been used for transport of hazardous wastes or materials are prohibited from discharging at Central San facilities unless they have been cleaned with appropriate chemical treatment and certified free from hazardous waste residue.
9. A \$1,000.00 cash deposit (cash, cashier's check, credit card, or PayPal) must be posted by the Permittee at the Central San Accounting Office prior to Central San's issuance of the Waste Hauler Permit. Failure to deposit or maintain the required cash deposit can result in denial, revocation, or suspension of the permit. An additional cash bond may be required on a case-by-case basis.
10. The Permittee shall provide Commercial General Liability Insurance, Automobile Liability Insurance, and Worker's Compensation and Employers Liability Insurance per Central San's *Waste Hauler Insurance Requirements* (attached). Failure to maintain required insurance during the permit term can result in revocation or suspension of the permit.
11. If hauling sewage, a copy of the Permittee's current Contra Costa County Health Services *Sewage Pumping/Hauling Permit to Operate* must be included with this application. Permittee shall provide Central San a copy of each annual renewal of the Contra Costa Health Services *Permit to Operate* during the permit term.
12. If hauling grease, verification of the Permittee's status as a *Registered Transporter of Inedible Kitchen Grease* with the California Department of Food and Agriculture must be included with this application. Permittee shall provide Central San certification of annual registration with the California Department of Food and Agriculture as a *Registered Transporter of Inedible Kitchen Grease* during the permit term.
13. The Central San Waste Hauler Permit is not transferable to another owner or company.

to be completed by Central San
